RE: How to Vote Guide

The Board of Elections has put together a brochure on “**How to Vote**” using the **New Voting System** that we will be fully implementing this year. This brochure provides instructions to the voter on how to use the voting system. Please make this brochure available at your offices for the public to take with them.

We would also appreciate your help to “spread the word” to your town/city residents.

As promised, we will be coming to your town/city next month and providing a voting machine demonstration. Your town/city is scheduled for the following date, time and place:

Town of Northumberland

Date: 8/4/2010
Time: 10am - 4pm
Place: Town Hall

Thank you for your help in this process.
