Denise, this is the letter I mailed to the Sheriff's office. Feel free to use this letter, or any part of it, to secure a radar speed sign for Kobor Road.

28 Kobor Road
Gansevoort, NY 12831
August 18, 2023

To whom it may concern,

I'm writing after another near miss on Kobor Road, due to a speeding motorist. I, along with my husband, and our 'across the road' neighbors, witnessed a light gray Honda Civic with black door handles (I have a photo of the license plate if requested) speeding west on Kobor Road in the Town of Northumberland on August 18, 2023 approximately 5:20 pm. When the motorist sped by our house, another neighbor attempted to exit their driveway, causing the motorist in the Honda to slam on the brakes at multiple distances ahead of the car backing out, screeching to a halt, smoke spewing out, laying on the horn.

Our road has a posted 30 mph sign. This motorist clearly was not driving 30 mph, and probably was driving over 40, or higher mph.

A few moments later, that motorist headed back in our direction, driving east on Kobor Road. He pulled part way onto 3rd Street and proceeded to yell at our 'across the road' neighbor. My husband joined the conversation. Because that motorist was so heated, shaking his fist, making threats, swearing, placing his hands on our neighbor, etc. I made the decision to call the non-emergency phone number for the Saratoga County Sheriff's office.

I cannot tell you how many speeding motorists, and I mean way above the speed limit, I witness each and every day. I've lived here at this address since 1989. The speeding incidents have increased a lot. Also, with the current road work happening on Route 32 N/Schuylerville Road, we are getting a huge increase of travel on Kobor Road. Many of those drivers are speeding.

I am asking if we could have an officer patrol the area. I will also be calling our Town Clerk, Denise Murphy, Monday morning to ask about getting a radar speed sign placed on Kobor Road. Numerous children live in this area and use the road to bike and walk. Many adults walk regularly, sometimes with their dogs. People ride horses and there is a twice daily cow crossing (which is overseen by children). I personally use Kobor and surrounding roads to walk for exercise. Our neighborhood does not feel safe with speeding motorists.

Notice of the Start of Construction for Segments 4 and 5 of the Champlain Hudson Power Express Project

Dear Stakeholder,

On or about August 31, 2023, the Champlain Hudson Power Express Project (“CHPE”) intends to begin site preparation and construction on Segments 4 and 5 of the proposed Champlain Hudson Power Express (“CHPE”) Project. Segments 4 and 5 include installation of approximately 26.5 miles of buried overland cable running from the Town of Fort Edward (Washington County) through the Towns of Moreau, Wilton and Greenfield, the Village of Fort Edward and the City of Saratoga Springs, ending in the Town of Milton (Saratoga County), primarily along railroad rights-of-way. The initial construction work will involve preparation of the site, followed by installation of the cable and associated work. Where possible, construction near residences and sensitive receptors will generally occur during daylight hours, though some limited activities would extend to later hours as needed.

On April 18, 2013, the NYS Public Service Commission (Commission) issued to CHPE a certificate of environmental compatibility and public need (Certificate), pursuant to Article VII of the Public Service Law (PSL), to construct and operate the CHPE Project. Upon receipt of a Notice to Proceed with Construction letter sent by the New York State Department of Public Service’s Office of Electric, Gas and Water, CHPE will be authorized to commence construction activities for these Segments.

Facility construction falls under the jurisdiction of the Commission, which is responsible for enforcing compliance with environmental and construction conditions, and which may be contacted through Matthew Smith, Office of Electric, Gas and Water, New York State Department of Public Service, Three Empire State Plaza, Albany, NY 12223, via telephone at (518)474-8702 or email at matthew.smith@dps.ny.gov.

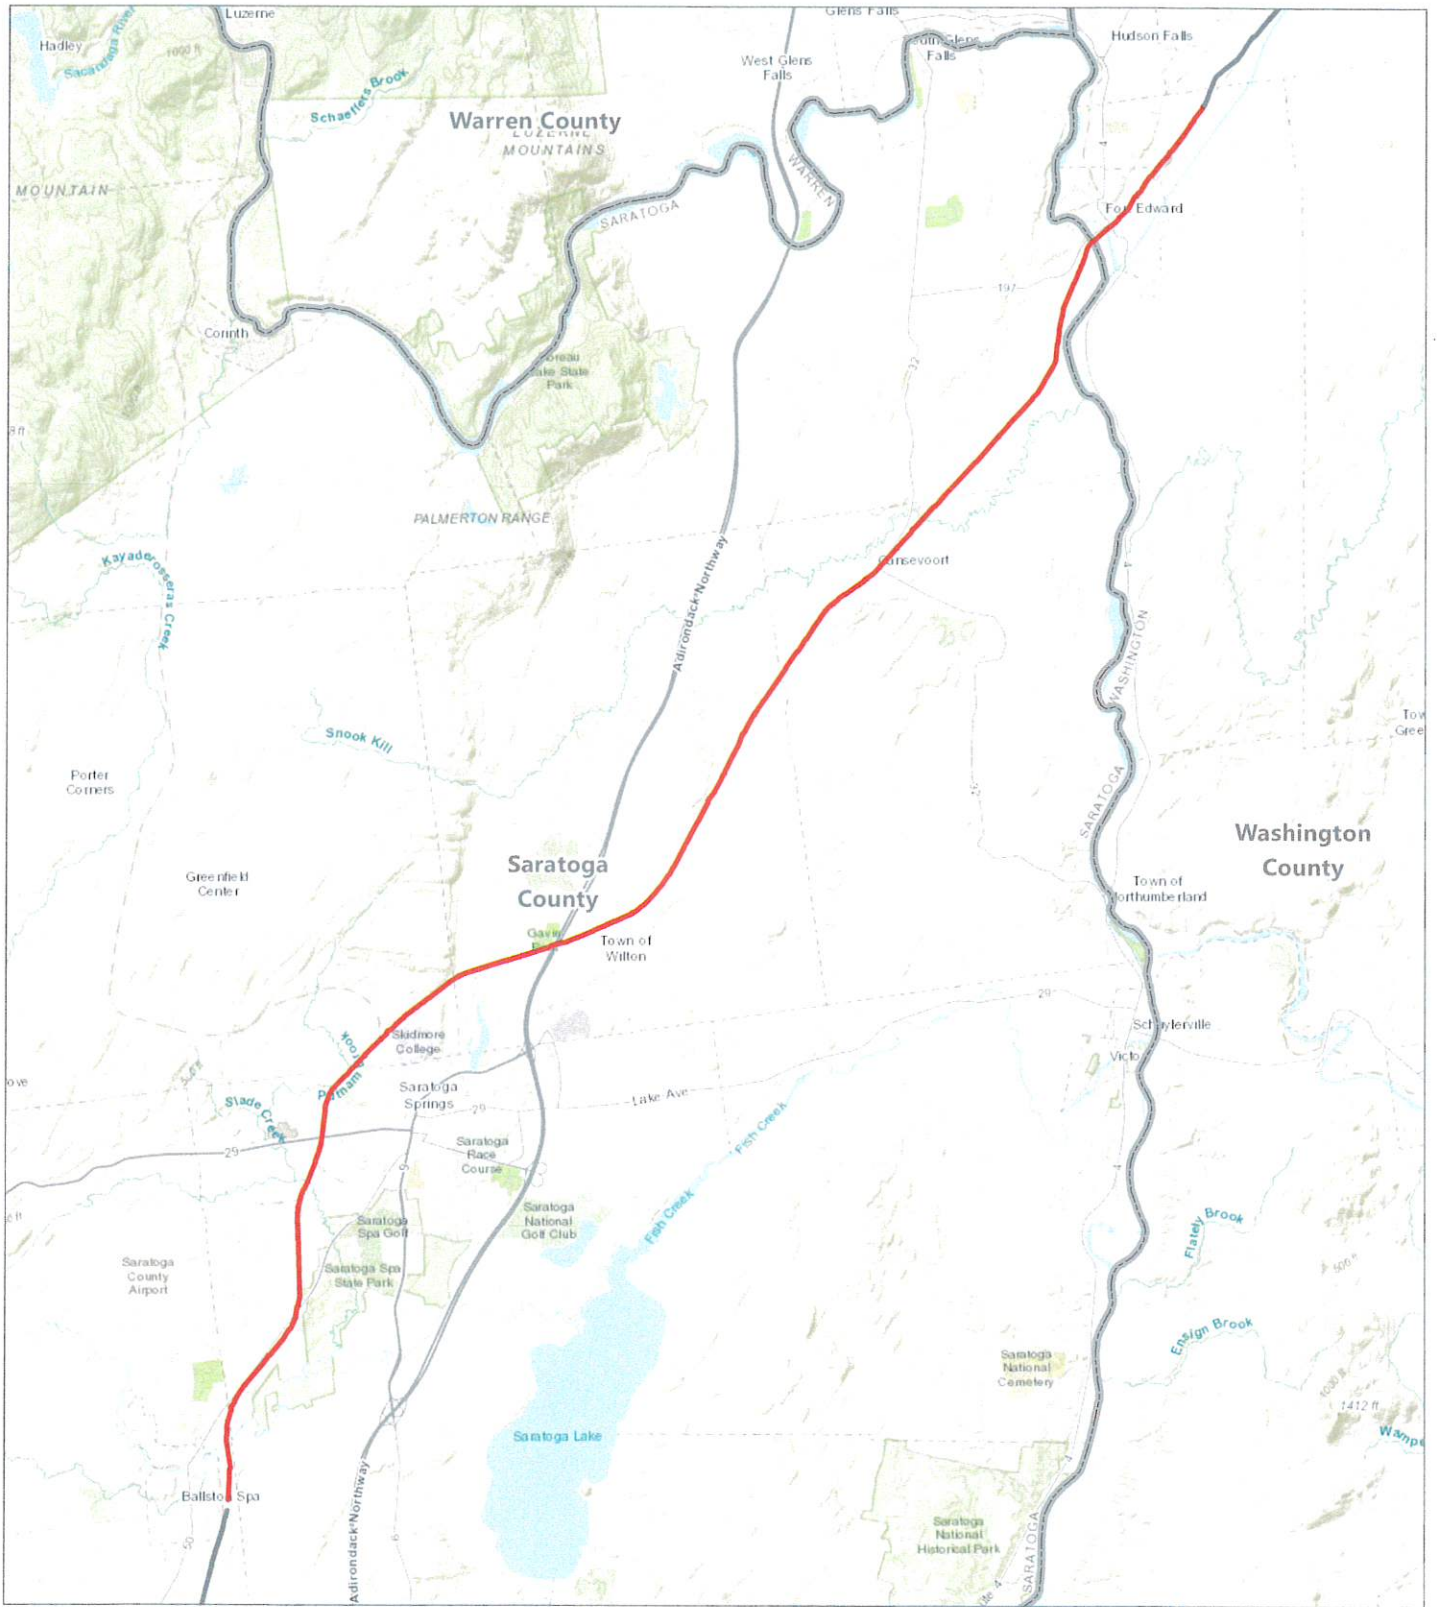

Contact Information and Document Repositories

CHPE has established a toll-free number for questions regarding the Project: 1-800-991-CHPE (2473). Questions or requests for further information can be directed to publicoutreach@chpexpress.com or by mail to Molly Hollister, WSP USA, One Pennsylvania Plaza, New York, New York 10119.

Details of the planned work locations, including construction drawings showing in detail the Segment, are available on the Project website at: <https://chpexpress.com/overview-of-public-documents/environmental-management-construction-plan/>.

The full Commission docket for the Project can be accessed via the Commission’s website at: <http://documents.dps.ny.gov/public/MatterManagement/CaseMaster.aspx?MatterCaseNo=10-T-0139>.
