Website Design and Development Services Proposal

The following proposal has been prepared for:

The Town of Northumberland

The Challenge: What the Town of Northumberland Needs

- ◆ The Town of Northumberland currently has a website, but it is dated and in need of significant improvements.
- ◆ The content contained within the website needs to be updated to reflect the current administration and most recent documents for the residents.
- ◆ Employees of the town are unable to make the necessary updates. An upgrade will give employees the option to make updates to specific sections ensuring the information distributed to the residents is accurate.
- ◆ There is a need to update the website to be responsive. This will provide the best formatting to fit all devices and users will utilize to view the content.
- ◆ Given the information and capabilities required by the town, we propose a multi-phased approach.

Hometown Marketing Solutions

Proposed Solution

- ◆ Phase I
 - ◆ New design and build for a website
 - ◆ Pages to be included
 - ◆ Home Page (may include legal notices)
 - ◆ Announcements
 - ◆ Town Officials
 - ◆ Town Hall
 - ◆ Meeting Minutes
 - ◆ "I want to" (similar to the page used by the town of Wilton)
 - ◆ Contact Us
 - ◆ Town Hall page will contain all necessary departments. A review of current information will need to be conducted to ensure accuracy. Town designated employees will help identify and list the departments, in order of importance, for completion.
 - ◆ Updated logo will be provided by the Town
 - ◆ The town tax roll is required on the Home page
 - ◆ Meeting Minutes will require access for designated users to provide updates as needed
 - ◆ Tax collection link required
 - ◆ Updated photos of town sites and scenery
- ◆ Phase II
 - ◆ Pages included: Our History, Areas of Interest, Services, Business Directory, and Useful Links.
 - ◆ All of the pages included will require review of information contained to ensure accuracy.

Hometown Marketing Solutions

Volunteer Firefighters/Ambulance Workers Exemption

RPTL 466-a

Authorizes the governing body of a county, city, town, village, school district, fire district, or special district, to partially exempt up to 10% of the assessed value of the residence of a volunteer firefighter or ambulance worker. The exemption does not apply to special assessments.

An eligible city, village, town, school district, fire district, special district, or county may enact, after a public hearing, a local law, or a resolution in the case of a school district, to adopt the volunteer firefighter/ambulance workers exemption.

Note:

The jurisdictions that have been offering exemptions under the old statutes will have to adopt local laws, ordinances or resolutions by December 9, 2025 to conform their exemptions to the provisions of the new RPTL 466-a.

Local Option:

1. Municipality already allows the exemption.
 - A. Municipality has until December 9, 2025 to adopt a resolution to conform to the new statute.
 - B. Municipality will need to adopt the residency and service requirement between 2-years to 5-years.
 - C. Municipality will need to consider if it wants to adopt a life-time exemption to volunteers with 20 years of service as long as they maintain their primary residence in the county they served.
 - D. Municipality will need to consider if it wants to adopt an exemption to un-remarried surviving spouse of deceased eligible volunteers.
